certificadodeaceduriasyatadruidaias

decias\_- que os importan una mierda pues son gente bella y linda con ademas educacion de grados incluso de emoion y no quereis que tengan dinero solo de sobrevivir y de vivir vidas robadas.. Lo contrario debe ser tal y cual mientras jugando while playing with Nintento did you wanted the son or one self to enjoy being hit by thunders for example. Then you said taht it is written in the label so they can not sew them as they said it is used to take information.

Like at the moment there is going to be a thunder they do - the child said hought! again! or even at night. Or like the motorcile de Valencia when it is coming and then pass with tha thread - a certificate is for that one and as they reject it more and more and more. Like that one from within did used the freno o el embrage para meter toxicidades o incluso los movimientos o incluso los frenazos de los coches. - the sentence for that is to be use as humans as crash dummies\_ with an imput to the crash dammies\_\_

The like if driving faster or doing different things they yave a jail and they put you in jail. even physically.

Like we are playing in a way that we play with forces like i was playing like that when i was i child. AND you stilll using that thing and the people or the very important people so it does not fall to them and they dont let the one to return. as they have put that from within..

The symtoms goes to like the certificates to them the company and many others . one those not get in the way of the way companies work. Then they go to court and they can sue themd ..

Yes, i am playing bulzer . taht with the red shell . Or the blue SHell. - and it happens that character was developed and child from a family like that of the school \_MONTESORY hes that voice talkign like listenign to music with the with the class mates and the rools to people that rules to because of that as there was like that stone from the floor someone taking even the to the doctor or working or acupuncture . and gave all child or me like as we are shell or boomerand i hurt two coins I lost I lost actual money and qualities.

oped and it is when like someo was in the back of the school at voice talkign like they did not a child was playing with the clas eople that rules to people that to scream and talk like that slo taking even the healign of the g or going to tai chi, or acupunct or me like as we are playing wi n or if i have a little accident an

it is when like someone said what? a that studied?? so i was in the back YO SIAD- when it was WALDOFH— they did nothing. There I was foots out and the child was playing parentes were there. Those are people that does not know and joy you pull out to scream and talk and then to the tree bark like it was healign of the glands without going traveling or going to tai chi, or to models and put violence in my playing with the game if i through a him or if i have a little accident and

as they asked to the traffic lights from Valencia are different thant the onces from Eugene. SO they would do taht as they did wth the tecnologies and to teh very least they will livea lke that like i said to that one that said i let you live you go and live like you did to the bodies that you expresed your selfe --- - did not you took the different palettes of color??
