CERTIFICATEOFACEDURIAS

so it happened that one was working out elements with a mirror from which they used to steal one self practice of workouts. Otherwise the art would have sold.

At somepoint one worked out outside with and used stones and watermelon so epressed himself as it was holding from within and sides. SO took the pictures as a representation fo the elements that they traspased and in representation fo the judgments of Nugmembert. so as it is and was using that resemplance for the brain ..

Then as there was no enight ni Eugene he dd with a meditation in the body and it broee and marked the river as the river red was marked. a natural consequence of bell ybomotn seeds.

the nthel ysaid it is that wat you cn do. YES HILIPOLLAS ONE STUDIED AND KNOW TAHT AT SOME PLACES WATERMELONS DONT BELONG TO OR WERE BUT THEY CAN CULTIVATE LIKE PEPPERS FROM ????
