

certificados de hechos. Certificate of Facts__

ONE time I was living in SS:SS. there I said i will conquer your women and I ate cookies of cereals. I enjoyed the house the joy the party. I was working on a collection of art as I was processing. I saw two things. 1 plate of Lafayette and One plate of AM In lOve of golden letters. An illustration of when I travelled to Marroco and visited Tanger and the effects over history and time. I noticed how to and hwo or who took the light of that travel trip to Morocco. A movie I saw before of a place, the place that was dissappointed had a point and had no a point. To show wouod have shown soemthign that was no needed to be shown, tht shown is more for an independent movie. In that town I was working on a collection of art to be sold on Ikea of things that We diD, like that picture : hkt picture may put you to throguh rocks_- _
I created a segment of that colleciton AMINLOve to be a collection dedicated to water in Stafford Springs, at that place were there is a park: Today i passed over a building in which now is a complex of different offices. that is the history and story of that building.

e primera necessitat, els sospitosos de donar suport al colp d'estat contra la democràcia republicana i firmitants d'esquerres, conseqüència de les tensions entre les tendències oposades a la revolució. Malgrat tot, les condicions dins de la presó mai no van ser tan deficientes com després de l'ocupació franquista. Durant la guerra, hi van morir 14 persones; en els primers cinc anys de la dictadura, 193.

Durante la guerra civil española (1936-1939), además de a los presos comunes, la Cárcel Modelo albergó a los encarcelados por prácticas como ocultar artículos de primera necesidad, a los sospechosos de apoyar el golpe de estado contra la democracia republicana e incluso a militantes de izquierdas, consecuencia de las tensiones entre las tendencias opuestas a la sublevación. Pese a todo, las condiciones dentro de la prisión nunca fueron tan deficientes como después de la ocupación franquista. Durante la guerra fallecieron allí 14 personas; en los primeros cinco años de la dictadura, 193.

During the Spanish Civil War (1936-1939), the Model Prison continued to house inmates convicted of ordinary offences. They were joined by those imprisoned for practices like hiding basic commodities, and those suspected of supporting the army against republican democracy. Finally, left-wing militants were imprisoned as a result of the tensions between the factions opposed to the uprising. Conditions inside the prison, however, were never as deficient as they became after the Nationalist
