PENITENCIAS

at a moment in life my beautiful wise child did a touch to my belly bottom signifying that I was write when I heal him. - Also my grandfather once wanted to kill me because I wished my father smash his face with a shoe as he was so brave to dump a sleeper to my mother in early pregnancy. I was making a painting so he died electrified the very wish he wished for me. A trace of the cord that goes like that. To does that attached which are writtten to be.

Show this as you walk and your belly bottom encorvated bodies bursas of cigarros y colillas y olores esternos .
