Certificate of achievements and aspirations

so it happens that i worked for 5 years at a store. During the Covid 19 in The highest or one of the most highest intellectual, educated, busy, cultural, all . then i kept with my life and as everyone was just , more like 90% i said that it should last until everyone is thankful as they ask me until went. I found a staple inside a salad someone was buying for a son. i removed all from shelves. Another time the same happened I cancel all. No need to ask the boss to as i was there in trust and even though others would do At a moment of driving a trauma helling of the trauma of the covid-19 was shaken of but decided to do the opposite to be thankful of being with anyone even to teach anyone that was reading too fast to read slower so he could understand better and even put himself into a pond to teach fishes how to not get in the reflection of love like A and P or like from pe to pa as it attach to.

23 % + 2% parents + 1 % one exgirlfriend + 1 per cent of a family member of her or him. 1 phone sold. The sale of an item found on the street. i think there is a couple to ask for somewhere in SS.
