

certificateofacedurias

therewasup9on a tiem a yes i am to b ver very careful . there was upon a time a almirante or almirantika that was very very very sorry about woman or women to be very very very beautiful or anything tht touch him or the werever from russia last year that i was studing and i got the sub of the teacher and they hook to her and i huck and ax metaphysically to him to go to the people or woma tht like marks like th almiranTe of th US the housband of the warlord that ended up killing her so there ws no prouf that h wa gya and was under within the gay people from argentina at the Tacita in Valencia and marriage to them while in a weeding while i used to unmarriage any of my connections spiriutally of those . las margaritas se mueven con el sol y el calor de la tierra por la noche. se metieron conmigo incluso en chaturbate para sarber porque las mujeres tienen corazon o corazones. despues de que hicieron lo que hicieron contra Ukrania y RUssia . Yes they cn buy to be gays gays and the na many places in he us cna be guys and the hot war tht they want is when they have xes i mean when the have the hot war that they want after the cold war ask pinochov or gorvachov or the uncles tht you used instead of using the beaury tht they discovered.

— — — a beer for a beer.

the places that i go is between 1\$ and 4\$ though in a bench near the west coast could be like a green mountain beer can about 50 cents.
