

ONE TIME I WATCH PORN AND THERE WAS A WOMAN USING A SWIFT TO PLEASE HER SELF. I THINK I MET ONE THAT LIKE IT AT SOME LEVEL OR I HEAR SOMEONE ASKING TO DO THAT IN MY OWN CAR. THAT WOULD BE A PLEASURE AND THAT DOES NOT MEANS THE CAR GETS INTO THE WOMAN OR THAT SOMEONE THAT STILLS A VIBE FROM MY CREATIVITY TO PUT PEOPLE IN ROBOTS.... I AM INTELLIGENT ENOUGH TO KNOW THAT COMPUTERS OR ROBOTS CAN BECOME INTELLIGENT BY REPETITION SO THEY MAKE QUANTUM LEAPS ACCORDING TO WHAT THEY SEE AND THAT I THINK IS A CONSEQUENCE OF IMITATING NEURONS MINDS OF HUMANITY TO MAKE ROBOTS. ONCE WHEN I WAS IN CT I THOUGHT ABOUT MOVING TO MA TO THE DEPARTMENT OF PHILOSOPHY AND HUMANITIES BUT I HAD SOMETHING BIGGER TO WORK ON WHICH IS CONTAINED WITHIN HCS AND AEM AND GUESS WHAT IT IS STILL IN THE WAY TO MEET MY SPIRITUAL SOUL LOVERS WHICH IS AN EXCITING THING.

THE PRICE THE DOINGS THE EFFECTS THE WISHES THE WAYS AND THE AMOUNT OF MONEY WHEN THE UMBILICAL CORD OF YOU AND THE CENTRAL CHANNEL SAIDS HASTA AKI NO PUEDO MÁS! A DONATION TO HUMANITY OR TO YOUR OWN CREATION AND GUESS WHAT I DO I CREATE AND OBJECT THAT IS A PLEASURE TO LEARN THAT WAY RATHER THAN BECOMING THEN THERE IS INDIVIDUALITY THEN THERE IS MUTUAL ENRICHMENT. THEREFORE LIKE YOU KNOW THE COLLECTION ME_23 WAS A PUZZLE LIKE PLAYING SOLITARY BEFORE AND IT ADVANCED OR REVERSED TO THE LEVEL THEY COULD NO GET ANY COMPASSION OR THEY WERE JOYFUL IN THE REVERSE ORDER LIKE THEY SAID IT WAS TOO CHEAP AND ONE SAID PLENTY FOR ME AND THEN TO RELATE.

Note on that collection: They did not want me to sale because I was wanting to travel with a sexy car "oh it expends a lot of gas" I think it was one of the complains. Then they wanted me to leave the suitcase with all the art which by the way the suitcase was a representation of Masonic and Pilgrimages even the one to la Meca. So you know people gets awareness as they go to a museum. It happens that at that house they are close friends of my wife and child. Me separately so I have my connections. There we enjoyed nice conversation, pizzas, wine, beer, barbecue, maple, fire, and he show me his new car like he show me how he was fixing an antique car. - hum? ¿Crearon daño a ella o a él? ¿Le deseaban un accidente? ¿Le desean mal porque prefiere conducir cada coche cuando le parezca? ¿Quieren comer ustedes solo una cosa de por vida? ¿Quieren que le digan como usar el dinero o la comida o esto o lo otro? Pues también resulta de que esa pareja es una pareja amada por muchísima gente y tienen cargos muy importantes.

complaints_ because i am hearing a plain flying and they make connections and there is people and fuel in those planes.
