the Quentins friens I found friends and lvoers while the other one madethem felt crazy he said you dont fight internet you used it and learned a t the ead age of 28 or so like typing whilke like really swimng so i took from that gap from the time you learnt and got ready because i said it would be shameful to speak aobut that and i can always catch up. the cookies of the apps the accept al or some: at the ocmputere or of sumoene else o

terefore tyou said woman ran itno me — you are making me a favor now. the dock of the swam the red swam i show you un a pick one like docuskis in line like the man sleeping udner the sun opless homeless vagabundos de karmas y armads darmas ma yyou know one kow n also they connected the m to vagabundos y vababundos like to gave cofffe warm or so\_ To the best podrais ser sera el repartir una cosa como una pequeña linterna con unas monedas de sobrevivencia para un cafe y luz solar:: ais viviran sus años despues de trabajar en lugares como matadero de moron\_\_ yes evrytime thre is a bread or breathing Ahí le dije auno para que disfruten del polvo e cualquier forma aais se van a vna bien doing that— ta that ta ta da da
