it happens that at some point 3 or 4 wisdom teeth were taken of and one did not like and then it farth becasue it took care of it and did not need medicine just one pill and rejected the benefit of an squisit work of a circugeran. hFarmth the you eldl off the elf said in a movie they and the besict coffee on the world1

It goes somenere becasue soemone is misusing or usingg the umbilical cord and one meridian to regect an ymedicinal work on th mouth and then there are two points or they said the dentinst hurt them or they need more dentalt works or this or they want toast because of an escuse or seircause.

22\$ + the three amounts yes I did mind that from within you let a mark saind did you buther dis and then as you marked on a year later or so on a beach by a lake you show me and took then ata a minigolf i cut the tail of a little largarto o lagarta, no se si era hembra o masculina..
