- nothing- just bothering still no just bothering__

At front of the apt i rented when i was making art_ they got within they bother the healing properties they bother to work i nsintony ... so like green - “ no han aprendido nada” eas voz del presidente y la ex first lady _ so I did smached a plant green does dots of greens are no mine they are yours yes i was born with those connections see if you would feel to be connected with childrens that are born — the abilities to speak, of walking, of breathing, heart capacities , etc- slaves of yourselves. So today tiding the apt up in Valencia in teh spring time after developing a way to develop a tree that is no douglas or fhering or
