- at a park in Brooklyn by the water river a water park. The label said something like for 7 years old or so. AH was about 3 yo. Like man yother and all the instructions are no for all. Like for example his body was educated from the beging even before birth.
- Liek the sign said that, tjtat managed to make him fell on the water and then managed through the umbilical cord that 1,2,3 kids fell into him so he was scare of the water- tht is an act of crinimalism consciusly like in Eugene the contract said no pianos. We had a keyboard wit hte qualities of a piano and let him just to whacht the computer. or to play games like today he made the child not wantign to play with a game that is for 8 yo. While the child himself has written books and a performance center he has made. :: May you know lie thjat that said everyting the y filed beltter the stop the healing or the body to discchard and they were puttin it to Sakira but shakira did was with that and did becuase that hum is only no only the status of someone the thing that thaas those things with those families tjtat same way did that to YG, RL, KC i would sai, RedPelvils swimmng sweet, a nother schort tht is writern ::Y thing one that was ment to my the art and someone was hired to do and they did and the White House Knows of the last year.
