_ - es verdad que no es un plan grande lo cual vosotros estais esacerbando con conexiones a las tecnologias y acuarios transiverdtando things like you hate that one uses public transportation and happens that 1 he found in the subway a couple. the first one. tht turned and said he is here and is cutting or getting us.___ another time in the bus a young woman told the father - taht is the man - that is the man i want - or even my spiritual father or sould father man- equally in Pycañña instead of telling that one is abusing them. they also mean that is the trace of man in valencia connected to many that harms and steals y luego las desea poner niños o niñas malditos dentro de los vientres__

get all and see how you all love to have connections like once was at a bar, was paying attention to the mechanicss of an elevator and how to use it in a choregraphy or scenography- one of the skill developed and studied on Audivisual Communications . obviously hilipolla de meleda de ambade soysi- de las danzas que vio en el pasado mientras se formaba tambien. jilipollas es un complemento— luego el otro el qe lo que hace es conectar con esos aspectos de la vida y se lo llevan enteros queridos ee.uus.
