- I put the computer on the side of the poyete. Tal y como el año pasado en el apartamento hicieron drama a cerca de la computadora o el bolso pues la hicieron poner la computadora en un lugar con una intencion maliciosa con el internet. - este no es el sitio para una computadora- this is no the best place for my computer- 1- a bulling comment- like she is a .... the second coment like she is a noobi and that she could not handle de computer and there there is the circumstance like if one has information en de computer one is attacting a thief or to hack the website or the phone or the email and from there to ooggle or google or the cold of the iglue\_\_
