CERTIFICATE OF ACEDURIAS

In Oregon I hit a few rotten trees with rotten mold as to kick someone out of my life that was using my money through the system everytime I paid for something when i nreality it belongs and they are those high spheres of Princes Haze, a Vegan with an army of peacekeeper in Insagrams those 5 relations but one red head and one blonde that did porn. Actors y tal. i remembering that I pay taxes every year. And the time i applied an example of the whole spectrum of taxes while eating alone even talking with a friend or lover about business it legetimate I dont. So there fore all people that is within and around about business is all are sick or they are washing money or transferring emotions to qualify emotionally.

20% each of all the income. that does not conflict anything:
