- ohkdocki. There were some having sun baths under the grass or under the sun. the bones of he chickens tasted good once. A tree was near by just on the side of the stairs where a neighbor used to bring the dog to pee . the ducks are like rabbits on the holy week they are holy and they are not like i Put three sponges of rabbits on a birthday cake north whre teher eas a telescope, a Corona a three reflection o nthe side of the road . I hit the wood dried call where they were the three sisters no the wriiter of the book that I read. so to return:. A tree by the apartment I moved the branches as to remove the alteration of human and electriities along with I was aware of the fellow from the house at front from which I pull i felt and i turned around and waited so as to like I posed with the model naked. Then I put the tree back so there is a frre tree. the house at fromt is no the free house or the free tree perhabs that is why whn I gave an invitatio nthey asked what are you doing here and they did not both a table written::
