One day i was in NY, I did not understand English well of all terrains. I looked at a black woman at the library. She was attending me. I look at her mouth pronunciation and found a difference. Later on I went to an Hospital in Wood— — And i could not udnertand the diction so I took a decision. There_ it concluded with a immersion on the realm o fthe whale. It it changed my diction and i was tired of the hey what is your name, my name is Joaquín. WOKing, oking, Joaquina ,.... Joaquín, Like Joaquín Phoenix — hah! Joaquín! Then it was better and they wrote it right . It took a while to me to and at the end as they wrote right the way without the association to an actor then because of the sexy tone they wanted me to be an actor. Yes I liked my Pumpkin Spice late even people or wherever said it was this or that. a thin for the fall.

better was to let a good imprint of a moment rather than a moment of stress for both ends. I like the ice => .

thit it was _me_ os Off.

22\$ + 12\$ + a few pennies. + three amounts as the three fires were affected..
