- 1- la voz que entro gritando desde dentro en Eureka en estos momentos dice que la violaron y la mataron.
2. A una mujer la tocaron el culo y la abusaron_ esta semana. TUiveron que dejarse hacer.
3. A escort from last year close to that once i was aware at the East coast as i was entering the ocean. She was hired to by the art as the person in between so not to related or mans to be within my body. AM aware they have sex and she was put in the moth that sustance or something similar with a gauze.
4. Bebe came as i was seating on a restaurant in France with asking for help about a phone tht they threw to her. I check news and it was true ¿?
5. At a restaurant in France i was eating navajas and someone took from that spirituality. At the same time we were eating outside joyfully and thre was a couple smoking and dry middle ages lookign and taking the joy, I show her and him the dirty sandal with the right foot. I sing that i was aware of what she was doing to hump that night.
