- A collection una coleccion de 5 dibujos y acuarelas para la habitación del hijo hice. De esas ideas y cosas de hacer. Esa cosa dijo que al tener dibujos ilustraciones bellas en la habitación crea las circunstancias de estres y drama
- La mano despetador the tickling hand that he made on the draft for the bed that we made - 1 as a thing of the comment facts about took the joy and the tickeling fan fan everyday. 1ahe knew and they still kept doing therefore by the both meanings like the hands on the ribs or points where they take the joy like in the ribs because en español significa costillas, ribs. o costillas de cerdos para qe asi permanezca y vuelva en lugar de esa cosa
- de coger y dejar y formar y atados a incluso el piercing the las orejas para que la sangre la vida no fluya son crymenes de los mas altos grados por lo que la vida a tenido que habrir esas realidades de violencias supremas para que encarnen en los terraneos o como se dijo cosas que se caeraon de vuestras manos, en especial de lo que nacera del vientre de hombre y ciertas mujeres. Los echos son los echos y cuando se a creado con tanta precision va flueve y cae a quienes aunque tambien se sabe que es esa cosa que no deja que la vida fluya y los otros o otras _

in today renecting or that work th an not be as they buther too w nent yuo go on or something like

hat is fine the terraneous things er drawings with voies they said v

saw on instagram today that work that they need to do with it is a snake that can not buther too when walking school and responded with the go on or something like that goes down to them want to happen that is fine the things

saw of wall paper drawings with

vbies they said we take it form them- in reality that aspect of the drawing and color belogns to one self too as they took too. then they said well but that is ok if they are womna becuase he is doing something cool for pornstar— well good luck with that! — it is and it is not because it is like those resolutions like me going to work to a slaughter house again or swithing for money or the obstruction rather thant the natural moves that a model took _

if the blind point made me read costillas means costillas. Like you may were underwears dear mans and ladies of models that are full of dry pu like like like you woould not even see how dirty or stinckis your foots or fingers i mena tootsh would be i mean the fingers in the foot.
