1. The woman which whom he discoverd rather tahn to send her to a path that does not belong to her. If she made videos- they would be for be performed. with me. And on top of that it is with her that is the way one made beautifully the reformulation of the wonderful teachings of Chess that now are an thign of obsessions. At a restaurant in Eugene teh owner which was intellinget there at the chest. he wrote or reformulated the man would be at the bar no like a peon. so there refore as one was playing chest with the objects and the way the chess teaciing helped to formulate in the pass now the thievery of it creates that. .
2. As I was liding or leaning or moving toward a future woman which is Dona no macdonal _ i got sick wit hthe candida_ a mark taht someone was doing_ someone tht from behin was doing that. but. one decide and it was for the best. and ran into D. and then healed the candinda thing with food and mandlasing without pbcecions. which probralib you taht from within said quidiad you are the perpretrators _ then every week on Satrrda Saturday o Sabado, fue y comio tarta de queso, con varias tazas de cafe negro solo. En un lugar donde ponian musica estupenda. pero a alguien no le gustaba que era u nbar de negros o de esa musica esquisita de los 60 o 70 — that gaps creates racismo within your all many of you- you fucking father of the woman escrot tht rippeld within pelvis go to fuck the harshole that abuse her and did that to her or get your self a spoon of wood fucking german de mierda_ instead of comong after with the penas or the missing of the wonderful woman that made herself out fo the fucking father of her so and the cock of the hokkey green team _
