may you know the before I was been and my mother was pregnant with me within the belly and of lowe no of obsessions die relayed and shared with her farber that she was pregnant then - my grandfather which was from within Morgan T- three a show to my mothers belly and laft an imprint in my nervous agatem. An imprint that I laft behind when I con un timbeque hecho de une boce de plaatic y un globo con semilla fruteae de árbei comón fui consciente del cuerpo y del ratón que se asomaba de una pared conjunta. Fue un ratón blanco mixedo con miecio desde uno de los orticios del ladrillo y del bujero del cuerpo. Así se fue a ello. Luego más adelante en la adelescencia cuando uno procese la adelescencia surgió como marioún a travéa de mi padre e interrumpió un baño ceremonial. Luego en una pinture acritica y fotografía surgió otra vez diciendo que queria materne en la pinture collage there was a trampoline towards empthess o las pladas o los mares. Así dijo se expreso dentro, de mi por mi voz y pidió que lo matara. Así se debarís haber ido. Sentí más tarde la muerte de mi abuelo ese frio eterno de la muerte. Un corte limpio lo que Taman clear out. But they replaced with desavereness and colds and hits and substances of other people or doings of things made by man or woman. Así ebes_ number are a number and there are a precise number of dead's or bodies that you would _ remain and within to be below that living or dead of the underwareard that was with inthe dried discunstances. An so you know _

think that or to make me responsibe:
