- Una vez invite a una familia lejana pero conectada.
- Una vez les invite pues ya sabia.
- con este certificado pueden desde la raja del
- propio sistema estar entre la gente con consciencia
- de lo contrario a los offsprings in a depleanitn
  condition
- one wanted to give me a 4,000 dolars job
- in exchange of the weapons was selling to make
- money
- once i told the father in law hat would be a silly
- thing.
- onces a pot gave to the wife,
- once the nwhen she learn how to cook
- she learn how to have she earned the pottery owven
- may you know where you would end
- in a pottery wheels. or ovens.
- it is an it is the onely way and a reaosn with:
- it is in reality she does not want a child in the US.
- It is in reality i said dont do what the merche said- - unless she is use to dhischarge what she said which she got in the middle of the relation with that dram and still she was still around and made our two years in Ny a halfsways things \_
