Spring 2024 Birthday party of my wife which means the birth of her as a mother too and a birth of our son and his side of the child . aresemblance I made a cake, an act of creativity and put on the table people and toys from the whole year a diarograma it was call or something like that instead of candles on the cake. The representation of those that stole the fire and the birthdays . Later his birthday somthing wanted me to tell him look at the telescope and see what you can see. Before I moved to NY I sold my telescope to an sculpture to whom I had convesations . It probably would have help him as is a fellow of the other fellow. He got up and look at the telescope and came with a place perhabs a girl to that may have pull her to Like this days he came and said I am the hairs of my fathers works as the beauty both work together _ I different tenses. He is as to remain_ the you miss is to be most likely within those what I saw on Instagram. on those connections wishing to earn : the thing know .

Of my I birthday I do art of the sociac which you use as explosions of egos and like that thign of the acurium thing a rpepecentation of two carpas on a fish themselves:. forgotthen they are of being if teh stole they may have felt a burnt, that force them to lief and let go off what they or what they thoguh it was theris. Then rather than injuries or drama like tohse _ - aht can be done o gether ut thre are many thins _ - know there are many things written to bedone by me. Me means perhabs a hand to lift and place like I help my son to put thing togheter in his projects. Yes, i added coffee shops

but they are to be i na different positions

May you know ; that live is life and found a person that was shoing an appartment, a pleasure, and that they are holders at a level wit htheir own company of restauring houses to start with Structural solutions,
