So today after a moment of joy of life I stopped and found they were taken that vibe or higher like I discovered both threads of music and processed . then i took the stone and hit the floor as i knew estaban robando - desde ese plan lineal que tuve hace años de cuando volviera a España de volver a Valencia. written is the intentions and it is theirs as it is their desires as it was done consciously and left hunger and a cold and cold from others , less desire to play music, sarro, deseo de jugar a la nintendo, coughsings, hurts, domestic violence with the obstruction of chakras . el palo en el culo para esa españa ya lo dijo e nAgosto pues ya saben que estaban haciendo y esos y esas como *Resilencia Valencia*, musica y Teacher relations to play by the clock and for them it is great and they will loooooove to make music with those obstructions ike if they were playing a stolen version of The Snare that Hits and Bites before it gets stolen\_ A movement i did of ways of

playing the picture has a red drum and a snare and a pedal so you know that within the belly as a symbol of doings bellies and mothus to screen. and at the same time at that moment i cleared a thing of the DUCKIES Eugene like that voice mark in the ass along with the sounds fo Pato lucas o Donalds.
