I Did on Application of Intellectual Methods as to work my body Butty Natural life non base on a diet... - Posed naked with the model after 90 hours a few times... - Work-out Fitness videos as to resemble muscle of women that are more seductive for me. I followed with Contact Improvisation dance. - From the wisdom and after few books, collections on a Chi-Gong Practice that was compressing, I mimic pomstars in videos as to keep developing the dreamed body for woman. Yes, they are women and they have heart! Which I knew but did not feel before. - I eat with pleasure many times like banana. - I verbally expressed how performance centers under donations at least tells the dances what to dress and they abuse them overnight for the year as the opportunity to be shown. They tell them and they did but they did not know that because they are alive. - Cut death trees of 1 foot wide into 4 pieces with a small ax. - 3-4 cups of coffee a day since who knows. - Dance naked by the big fire on my backyard few times. - I hike many times and hours with big heavy boots to develop my body. What to do if I love it and was tired of that projection even through women love my intellectuality. - Use rods of different shapes to workout. 1 to 2-3 pounds. Then update to 5. - Wear leggings to please my body made on tires at home. - I box in front of mirror and rocks on my hands the smoke mirrors of others. - I hit the grounds of my backyard many times with big rocks as to reshaped the structure of the land to recirculate the currents of yin and yang frequencies to sustain my body. Yes I was on the blister of the planet that is New York that broke the meridians of the earth so I remove myself from the 10 years there. - Washed my body by submerging my lower legs in a pond or lake early morning once a week. - Take moon baths. - Lifted workout a 16' dead tree that I cut many times through the seasons until it broke. - I cut little bit myself with a branch and the blood was given to one. - Shower with sun light on a creek. - I hit the barbecue many times as I realized something harmful was coming. It was one of my connections praying to God for love. - I eat ice-cream and peanut butter, even ice water or water with ice. - by this time I walked naked and so often on the snow in the forest and so under the full moon. - I dance along the rails. - Washed my body with algae in the ocean. - Swim with rods on my hands. - Salted my body for a month in the ocean. Washed myself with salted water at home. Used salt from
