there is a coyote jaw in a land behind the condo asociation en Stafford Springs, there i used to a stick like a spear. it was a frozen one then I let it go . Also one at a snatuary call the laughthng brook a santuary i nwchin hin the wintr i held a frozen cold hot bar representing what i was of the drunkar like how the actores were stealing my personwal spirutalyty and work so they shuld have that cink king of hands. there some oe made a ritual saidn you wuld make it. ther a penuts
