- TO the Artist: to the artist is a segment in which I expressed myself with the awareness from within of MC Kenzie_ At the beginning was meant to be only one box. But as it emerged the rage as someones were getting the light of the Oath and my own whole process along with may the rage rised so I - I contains wE. So they got hurt for getting the profits and benefiths. And so you know all I travelled to different cultures and to people. So I met and observed all and did along my spiritual practice which by the way when there was the intention it is a soul practice dynamics and consequences I that at a point of travelling I waitress. She was beautiful. I got brighter and she told me. to leave I had only some. So I goodbye. I was given beer

In Valencia I witnesse a beaty with me and as seh was talking said "i am married" seemed to presence of a tricker from relations in within. tHere is this problem at all the mark of the go to those that say they did it from the dedo gordo y el lado del menique_ y de ahi como dise e hizo a una mujer alemana y a una mujer inglesa de l oque alguien dijo entre el dedo gordo del pie y del dedo de al lado una lucha entre corazon y mente y asi un flujo mensetural o the ensel y fluidos toxicos.s asi como eridads de paladar saborres de metal y po o pu en kundalinis for traspasings.: Fueron bravos al robar y crear drama que de una mano izuquierda o de derecha cogieron un cuchillo de mantequilla e hicieorn que una muJer o esvosa de furia se expresaron atraves de ella y casi se corta la mano. Por eso saben una marca de la linea del destino corre por la vida y los niños pues de los marcadores de libro uno estrangularon y uno exprimieron- de los varios colores multiples tendreis pupilas marcadas de unos colores no de los pigmentos tantos: como si hubuiera pintura y residuos de mariposas alasB. the carton y cartoon albores por las dualdiades de creadas y mones t de venus y montes de las manos secas como si no hubieran echo nada o tocado o dicho nada dientes de fumadores aunque no fumen asi como de reglaiz y cabezeras negras suelos negros a limpiar tanto de rodilla pues hicieorn un cd_ si fuera por reconocimiento o guia con vuenta intencion hubieran echo un pago de antemano al ser de robos l oque hicieron fue una marca como si uno fuera un circuito electrico so the othres takes the artist plus the fathers and they would always be i want to do this - then what are you doign here so i can do what i said=?

s wE. So they got hurt for ed to different cultures an practice which by the wa rit follow. The broken dynz a point of travelling I sat in it you look different. She g ve I had only some. So I re arries.

She was connected with n married" seemed to me pernicious chi and relator l the mark of the spring w e fingers. starting from the

so the spirit follow. The broken know. And was brave enough sat in a bar and there was a asked but you look different. She Then by the time it was my time returned with floweres to say and strawberries. from Italy. She was connected with a friend she rised the hand me it was a mistake ad it was a behing leaving pernicious chi and and there is taht and tehre is no spring weather tecnologies can most be in three fingers. starting meniquee solo un dedo el de al
