So it happened tht miself danced naked on an around the fire at the backyard of an fire eclipse on October of Scorpio. The neighboord a gay black man may yiu know then why you are on gay black man and turning into violence and along the job that he had. that is true: know you should have not made that last year when tere was the conterpart of water, with hot water on a under a shower__

Ap entagram i was dancing with two stones in the hands and that made me fall. If did made me fall and i created teh pentagram- there is only one tht lifted a tree tht one cut of full of old rituals of and I turuned around once wokkring out and I hit the backyaord or uncosncius so you know the very one knew so you are mark to those that you used so as you said_ everyone does what i say or i turture them: perhabs done where there would be sometime a new material where the eals below live rather that warrors earls or hairs and to be a t from to rise when there is the battles you know_

22% + the three sumes as the three fires has been affected_
