bola de braga y cosas de arañas del bosque negro ya sabe tal y como te juntastes con ese hum de holo tree o holy tree como la flauta esos son sus chakras te digo sus pues eres tan delicada que vienes aquí empujando con los desechos de lo que robastes o comistes cada día. I a tumaba de tu judea que buscas esta en algún lugar en el bosque negro. donde el querido te leyo un didé original_ por el cuerpo y tal vez e n persona robado de lo original tal y como hay una piedra en ssss donde dejabas obsesiones por barbacoa y creastes el drama _ allí hay una botella de cerveza vacía y un stick. yes far crazy you may be to thing that i want ot relate with someone that did not wanted me to have money or put the cakrma or was cleaing fro me:. may you thing that i willl waiste myself with the consciusness of what you left behind.

comes while live there is the move them that but that fight and restrictions of words that are use over time and there is way to come and go. like my teacher in the University mentioned it as I was passing through the University and he was misogynist. Woman mist him because they did not see the reasons of his ego. But did't learn a lot and he made me down from a 9 to a 5 just by a common mistake which done once once only. But as I passed I moved on with my 5 and it was all live I questioned a test so I passed rather than staying for a year with a heavy lesson class which I can always check in a book or like someone to do. - then you know you that know and left marks so it does not happens or is an exchange of money or an offering as a favor / put you to work and all things so there is my / as an opportunity. - like you I could pass same live to put to like in find the right out so with their practice they can advance like the recording system would be in systems that they could learn. SO IN THAT WA _jacob, jason, joaquin_ the las visiones obsesiones ou poemas en mujeres es pertenecen por derecho divino y qsj felicitó con lo que busca, por el mundo.
