COUTURE JARDIN

COUTURE JARDIN

COUTURE Jardin brand was founded in North America in 2009 by Mr. Normand Couture, a famous French Canadian designer also known as "Mr. Sofa", to whom over 70 international awards have been given and surely more to follow.

After decades devoted to indoor furniture, Mr. Normand discovered a new passion: outdoor furniture designs. Today, his unique creativity translates very well his vision of beauty and comfort to make outdoor living a happier experience.

CJ products feature a unique blend of "Europe meets America" easily understandable when looking at DIVA, LOOP, FLEXI, CLUB, HUG and their other outdoor collections. The brilliant designs and elegant shapes, along with excellent craftsmanship and unique fully waterproof fabrics are the essence of the brand. In a short time, COUTURE Jardin has become an emerging force among the world's best outdoor furniture brands, thanks to its exclusive and stylish art of living. Now, COUTURE Jardin collections are sold in 76 countries around the world, including China, USA, Spain, Italy, Australia and more.

CJ is fully committed to offer the world a more relaxing outdoor lifestyle while meeting the high expectations of both residential and commercial projects.

ENJOY

The first two words that come to mind when you look at ENJOY Collection is "graceful elegance". While love at first sight is kind of a cliché it is truly the case for this collection.

Start with an elegant structure in dark bronze, add a beautifully weaved shell and comfortable seats and backs dressed in a classy weather resistant fabric and there we go, we use it inside or outside?

While we can't help you here, we are more than happy to bring up the question...ENJOY!

the ART of STANDING Out

Our LOUNGE Collection is beautiful to look at even from up above. Each piece has been created as a part of a total environment, however each can be used as a stand alone.

Exceptional craftsmanship paired with a peculiar attention to even the smallest details guarantees an elegant and timeless design.

LOUNGE

Thanks to an innovative shape and a clever choice of materials, the LOUNGE Collection will undoubtedly make an outdoor statement in a multitude of environments, whether modern or slightly more transitional. The shape talks by itself while the choice of materials, indeed, is pretty distinctive.

While mixing materials skillfully might seem easy the most important is, as in the world of fashion, to reach the right balance so that each ingredients on the design table contribute to a tremendous design. We truly believe we've achieved that goal with the LOUNGE Collection and it is all yours to enjoy!

When the sun goes down our ILLUMI outdoor light will create just the right mood to enjoy time with your loved ones.

Thanks to a clever attachment, in the wink of an eye, you can easily move the tables from one side to the other, even in front of the sofa or chair.

The SKY Collection simply started as a nice chaise lounge but...our esteemed fans loved it so much and since sky has no limits we've added an extensive range of seating, then Cabanas and new finishes to create a cohesive design family. All structures are made of 100% recyclable aluminum, not only does it look sturdy, sturdy it is. To soften the look, it is dressed expertly in our COUTUREtex proprietary fabric.

nder the sun, the moonlight or even a light rain, you will love SKY Cabanas. The 100% recyclable aluminum structure conceals an ingenious roof. Thanks to an easy to maneuver mechanism, the slats can be oriented to let the sun in or out or in between. Should the rain start to pour, hop you go, just rotate the handle to close the roof, the rain will first drip through the side gutters and then evacuate down the the four posts, easy and very clever, a little piece of heaven, at your convenience.

HIGH PRESSURE LAMINATE HPL

High pressure laminate is perfectly suited for outdoor use. It is resin-impregnated and compressed under very high pressure creating a strong top with a scratch-resistant surface. These table tops basically require no maintenance and can remain outdoor all year round. Compact laminate will naturally fade slightly at the edges over time. In order to maintain the deep black color, the edges can be freshened up by rubbing linseed oil on them. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.
