## 22. WORKPLAN

---

The Workplan will be sent to all the participating federations six weeks at the latest before the start of the competitions.

## 23. MEDICAL and DOPING CONTROLS

---

Due to the current situation related to the COVID-19 pandemic, the FIG and the AZE National Federation are constantly in contact and more information will be given closer to the event. Besides the medical guidelines for the particular event, FIG also requires all the participants to follow the standard precautions.

The FIG requires all participants, judges and officials to take standard precautionary measures, such as frequent hand-washing, wearing masks or face coverings at all times and keeping a physical distance of at least 1.5 meters whenever possible.

The only situation in which the safety distance does not have to be respected is when a coach provides assistance (catch, lead, spotting) during an athlete's performance. This phase must be kept as short as possible and the assisting person is obliged to wear a mask throughout. Gymnasts do not need to wear a mask or face covering while they are performing at the training venue or on the FOP and keeping a physical distance of at least 1.5 meters whenever possible.

Under the supervision of the FIG, anti-doping control will be organized according to the valid WADA Code, Standards and FIG Anti-Doping Rules.

The anti-doping controls may take place at any time.
