COURSE AGENDA

Unmanned Systems Integration in the Operations Planning Process (USIOPP)

7–11 December 2026

MONDAY, 7 DECEMBER 2026

TIME	SESSION / ACTIVITY
08:30–09:00	Opening Session: Welcome Remarks, Course Introduction and Participant Introductions
09:00–09:45	Lesson 1.1. NATO Operations Planning Process as a Framework for the Integration of New Technology Considerations
09:45–10:00	Break
10:00–11:30	Lesson 1.2. Command and Control of Unmanned Systems at Tactical, Operational and Strategic Levels
11:30–11:45	Break
11:45–12:30	Lunch Break
12:30–14:00	Lesson 1.3. Situational Awareness and Digital Decision Support for the Employment of Unmanned Systems
14:00–14:15	Break
14:15–15:00	Lesson 1.4. Classification and Operational Roles of Unmanned Systems in Joint Operations

TUESDAY, 8 DECEMBER 2026

TIME	SESSION / ACTIVITY
09:00–10:30	Lesson 2.1. Capabilities and Limitations of Unmanned Systems in Joint Operations
10:30–10:45	Break
10:45–12:15	Lesson 2.2. Operational Effects and Employment Considerations of Unmanned Systems
12:15–13:00	Lunch Break
13:00–14:30	Lesson 2.3. Unmanned Systems in Deep Strike Operations

WEDNESDAY, 9 DECEMBER 2026

TIME	SESSION / ACTIVITY
09:00–09:45	Lesson 3.1. Unmanned Systems Considerations across Strategic and Operational Planning
09:45–10:00	Break
10:00–10:45	Lesson 3.2. Mission Analysis Considerations for Unmanned Systems Integration
10:45–11:00	Break
11:00–12:30	Lesson 3.3. Conduct of Mission Analysis with the Integration of Unmanned Systems – Part I
12:30–13:15	Lunch Break
13:15–14:45	Lesson 3.3. Conduct of Mission Analysis with the Integration of Unmanned Systems –Part II

THURSDAY, 10 DECEMBER 2026

TIME	SESSION / ACTIVITY
09:00–09:45	Lesson 3.4. Course of Action Development for Unmanned Systems Integration
09:45–10:00	Break
10:00–11:30	Lesson 3.5. Development of a Course of Action with the Integration of Unmanned Systems –Part I
11:30–11:45	Break
11:45–12:30	Lesson 3.5. Development of a Course of Action with the Integration of Unmanned Systems –Part II
12:30–13:15	Lunch Break
13:15–14:45	Lesson 3.5. Development of a Course of Action with the Integration of Unmanned Systems –Part III

FRIDAY, 11 DECEMBER 2026

TIME	SESSION / ACTIVITY
09:00–10:30	Lesson 3.6. Plan Refinement, Execution and Synchronisation
10:30–10:45	Break
10:45–12:15	Lesson 3.7. Unmanned Systems Considerations in Operational Synchronisation –Part I
12:15–13:00	Lunch Break
13:00–13:45	Lesson 3.7. Unmanned Systems Considerations in Operational Synchronisation –Part II
13:45–14:00	Break
14:00–14:45	Summative Assessment
14:45–15:00	Break
15:00–15:30	Course Closing Ceremony: Course Review, Feedback and Certificate Presentation
