MOUNTAIN PEAK

For its combination of tones, Mountain Peak is the perfect choice for anyone with more refined or conservative taste. The interplay of light and dark creates subtle contrast, adding depth to the design. This package brings the essence of mountain living into your home – sunlit slopes infuse warmth, while shaded areas provide a cool, calming balance. The carefully selected materials are both timeless and of the highest quality.

TUNDRA

With its stylish lines, Tundra is the epitome of cool, calm and collected. It's ideal for those who prefer mellow tones. Here, a minimal range of colours is used to create a cosy, laid-back interior in which subtle accents are provided by different textures and surfaces.
